PUC Docket No. 60319

PUBLIC COMMENT OF SARAH CLARK

I live in My legal address is in Bishop, CA but I have been visiting Hueco Tanks every winter since 2009 and consider it home, and I am writing about proposed Link 1R of El Paso Electric's Pine to McCloud 345 kV transmission line in El Paso County.

I oppose any route that uses Link 1R.

This area is sacred and special to so many people. The Link would ruin the view of Hueco Tanks for so many of my friends who call this place home. It is entirely unnecessary especially since there is another path.
